A yearly bible reading schedule

I like to read the gospels at Christmas time and Easter time. So, instead of making the plan to be divided among 365 days a year, I have a pre-Easter season, Easter season, post-Easter season, and Christmas season set up. Easter is always on a Sunday, but the date can vary. Therefore, we have some days in the pre-Easter season and post-Easter season schedules that are available for chosen study.

Pre-Easter season

January 1st until the day before Palm Sunday
Genesis through Esther

Easter season

Palm Sunday through Pentecost Sunday
the gospels and Acts

Post-Easter season

the day after Pentecost Sunday - November
Job through Revelation

Christmas season

the month of December
the gospels
